

KATHY PACE TECHNOLOGY SCHOLARSHIP

The Kathy Pace Technology Scholarship honors the late Kathy Pace, who strongly believed in supporting the community. As the role of technology changes, the next generation of technology professionals need to possess the compassion and commitment to use technology as a tool to improve the world they live in.

This \$5,000 scholarship will be awarded to one college student pursuing higher education in a technology-related field, and it can be used to pay for tuition and/or other school related expenses.

Eligibility Requirements

- The scholarship is not restricted to incoming freshman. Any technology student, at any level of their higher education, are encouraged to apply.
- The student must be pursuing a degree in a technology related field.
- The student must attend an accredited college in Texas or Louisiana.
- All required documents must be submitted prior to the deadline

Submission Requirements

The student chosen for the scholarship should embody the spirit of encouraging and supporting others, and demonstrate care for both the people around them, and for their community. To apply for the Kathy Pace Technology Scholarship, please submit all of the following required documents.

- 2 Letters of Recommendation
- Unofficial Copy of High School or College Transcript
- Personal Statement/Application “Essay” (maximum 800 words), describing:
